

## Larisa A. Prozorova

### Scientific publications for the period of 1986-2013

1. Prozorova L.A. 1986. Species composition and biogeographical characteristics of freshwater gastropods of the Chaun Lowland / Donnye Organizmy presnykh vod Dal'nego Vostoka. Vladivostok: Dalnauka. P. 39-47. [In Russian].
2. Prozorova L.A. 1987. On the biology of *Culmenella rezvoji* (Gastropoda, Pulmonata, Bulinidae) - rare species of malacofauna of the Far East / Mollyuski. Rezultaty i perspektivy ikh issledovaniy. 8 Vsesoyuznoe soveshyanie po molluskam. Leningrad. Nauka. C. 294-295. [In Russian].
3. Prozorova L.A. 1988. Molluscs of the family Pisidiidae from the Chaun Lowland // Zool. Zhurn., 57(10): 1576-1580. [In Russian, English abstract].
4. Prozorova L.A. 1988. A new species of the genus *Cincinna* (Gastropoda, Pectinibranchia) from the south of the Primorie territory // Zool. Zhurn., 57(11): 1736-1738. [In Russian, English abstract].
5. Starobogatov Ya.I., Prozorova L.A., Zatravkin M.N. 1989. Composition of the Physidae Family (Gastropoda, Pulmonata, Lymnaeiformes) from Siberia and the Far East of the USSR (with notes on European physidae) // Bulletin' Moskovskovo Obshestva Ispytateley Prirody, 94(1): 62-76. [In Russian, English abstract].
6. Starobogatov Ya.I., Prozorova L.A. 1990. Specific composition of the family Bulinidae (Gastropoda, Pulmonata) in the waterbodies of the USSR (with notes on the system of subfamily Camptoceratinae // Zool. Zhurn., 69(4): 27-37. [In Russian, English abstract].
7. Prozorova L.A. 1990. On the biology reproduction of molluscs Pachychilidae (Gastropoda, Cerithiiformes) // Zool. Zhurn., 69(12): 24-37. [In Russian, English abstract].
8. Prozorova L.A. 1991. Composition, distribution and biology features of freshwater gastropods of the Primorie territory // Zool. Zhurn., 70(9): 54-63. [In Russian, English abstract].
9. Prozorova L.A., Starobogatov Ya.I. 1991. On the contents of the family Bithyniidae of the south of the USSR Far East // Zool. Zhurn., 70(1): 137-139. [In Russian, English abstract].
10. Prozorova L.A. 1991. Morphology of gastropodan egg-clusters from Primorie Region of the USSR // Trudy Zoologicheskogo Instituta, 228: 74-110. Leningrad. [In Russian, English abstract].
11. Prozorova L.A. 1992. Molluscs of small waterbodies of the South of Russian Far East // Zool. Zhurn., 71(9): 41-45. [In Russian, English abstract].
12. Prozorova L.A. 1994. Distribution and taxonomy of the representatives of the family Pachychilidae in Asia // Proceedings of the 45-th Arctic Science Conference. Vladivostok: Dalnauka. P. 26-27.
13. Prozorova L.A. 1995. Freshwater molluscs of the Southern Russian Far East // XXVIII Pacific Science Congress. Beijing, China. P.196.
14. Prozorova L.A. 1995. Taxonomy and species composition of the genus *Pisidium* (Bivalvia, Pisidiidae) in the Russian Far East // Zool. Zhurn., 74(11): 32-36. [In Russian, English abstract].
15. Prozorova L.A. 1995. Review of specific content of mollusks in the Khanka Lake / Preservation problems of Khanka Lake. Proc. Intern. Conference. Spassk-Dalny. Reserve "Khankaisky. P. 71-78. [In Russian].
16. Prozorova L.A., Foster N.R. 1996. Terrestrial Mollusks of Beringia // Western Society of Malacologists Annual Report. 28: 8-9.
17. Prozorova L.A., Foster N.R. 1996. Freshwater Malacofauna of Alaska and Northeastern Asia // Western Society of Malacologists Annual Report. 28: 9-10.

18. Prozorova L.A. 1996. A Some Data on the Exmonotypic Genus *Cecina* A.Adams // Western Society of Malacologists Annual Report. 28: 13.
19. Prozorova L.A. 1996. New Data on the Freshwater Malacofauna of the Kuril Islands // Western Society of Malacologists Annual Report. 28: 12.
20. Prozorova L.A., Starobogatov Ya.I. 1996. Guide to Recent molluscs of northern Eurasia. 6. Genus *Armiger* Hartmann, 1840 (family Planorbidae) // Ruthenica, Russian Malacological Journal, 5(2): 167-175.
21. Prozorova L.A. 1996. Non-marine malacofauna of Kurile Islands // Ruthenica, 6(1): 77-78. [In Russian].
22. Prozorova L.A. 1996. On the species composition of the Acroloxidae (Gastropoda, Pulmonata) family in the Russian Far East // Zool. Zhurn., 75(4): 494-498. [In Russian, English abstract].
23. Prozorova L.A. 1996. Species composition of the genus *Cecina* (Gastropoda, Pomatiopsidae) from the Russian Far East // Zool. Zhurn., 75(5): 653-663.
24. Prozorova L.A., Starobogatov Ya.I., Korniushev A.V. 1996. Species composition of the genus *Henslowiana* (Bivalvia, Euglesidae) from the Amur River basin // Zool. Zhurn., 75(9): 1319-1325. [In Russian, English abstract].
25. Prozorova L.A. 1996. Beringian freshwater malacofauna. In: Problemy gidrobiologii kontinental'nykh vod [Hydrobiological problems of the continental waters]. Sankt-Peterburg: Izdatel'stvo Zoologicheskogo Instituta RAN. P. 46-47. [In Russian].
26. Prozorova L.A. 1996. Gastropods and small bivalves of fresh and brackish waterbodies in the Southern Kurile Islands // The Bulletin of the Russian Far East Malacological Society, 1: 21-34.
27. Prozorova L.A. 1996. Genus *Conventus* (Bivalvia, Pisidioidea) from the Russian Far East // The Bulletin of the Russian Far East Malacological Society, 1: 35-45. [In Russian, with English abstract].
28. Prozorova L.A. 1997. Freshwater snails in the Southern Russian Far East // Korean Journal of Malacology, 13(2): 97-108.
29. Prozorova L.A., Starobogatov Ya.I. 1997. New species of the subgenus *Gyraulus* of the genus *Anisus* and *Choanomphalus* (Gastropoda, Planorbidae) // Ruthenica, 7(1): 39-50.
30. Prozorova L.A., Starobogatov Ya.I. 1997. New for Russia species of the genus *Stenothyra* (Gastropoda, Pectinibranchia, Stenothyridae) // Ruthenica, 7(1): 65-66. [In Russian, with English abstract].
31. Prozorova L.A. 1997. Island land snails of the Far East Marine Reserve In: III Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 93-94. [In Russian].
32. Prozorova L.A., Sayenko E.M., Bogatov V.V. 1997. Large bivalves of the "Ussuriskiy" Reserve. In: III Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 94-95. [In Russian].
33. Prozorova L.A. 1998. Pectinibranchs of fresh and brackish waters in the Kuril Archipelago // Ruthenica, 8(1): 33-38.
34. Prozorova L.A. 1998. Annotated list of Beringian freshwater molluscs // The Bulletin of the Russian Far East Malacological Society, 2: 12-28.
35. Prozorova L.A. 1998. New data on the anatomy and taxonomy of *Lacustrina* Sterki (Bivalvia, Pisidioidea) // Western Society of malacologists Annual Report, 30: 55.
36. Prozorova L.A. 1998. [Non-marine molluscs]. Morskoe ekspeditsii DVO RAN. Issue 1. Vladivostok: Dalnauka. P. 13-16. [In Russian].
37. Prozorova L.A., Starobogatov Ya.I. 1998. Subgenus *Sibirovalvata* of the genus *Cincinnati* (Pectinibranchia, Valvatidae) in the Russia and adjacent areas // The Bulletin of the Russian Far East Malacological Society, 2: 54-74. [In Russian, with English abstract].

38. Prozorova L.A., Starobogatov Ya. I. 1998. Subgenus *Gyraulus* (Pulmonata, Planorbidae) from the South of the Russian Far East // *Ruthenica*, 8(1): 55-58. [In Russian, with English abstract].
39. Prozorova L.A., Starobogatov Ya. I. 1998. A new species of the genus *Aplexa* (Pulmonata, Physidae) from Japan // *Zoologicheskiy Zhurnal*, 77(9): 1068-1070. [In Russian, with English abstract].
40. Prozorova L.A., Starobogatov Ya. I. 1998. The species of the genus *Acroloxus* (Pulmonata, Acroloxidae) from the Kolhyma River basin // *Ruthenica*, 8(1): 39-42. [In Russian, with English abstract].
41. Prozorova L.A. 1999. To the malacofauna of the "Kuril'skiy" reserve. In: IV Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 126. [In Russian].
42. Prozorova L.A., Alekseeva E.V. 1999. Fossil molluscs from the cave Bliznetz (southern Sikhote-Alin) // *The Bulletin of the Russian Far East Malacological Society*, 3: 26-32. [In Russian, with English abstract].
43. Prozorova, L.A., Sayenko E.M. 1999. [Non-marine molluscs]. *Morskije ekspedicii DVO RAN*. Issue 2. Vladivostok: Dalnauka. P. 12-13. [In Russian].
44. Prozorova L.A., Sharyi-Ool M.O. 1999. Freshwater snails (Gastropoda, Pulmonata) of the Tuva // *The Bulletin of the Russian Far East Malacological Society*, 3: 11-25. [In Russian, with English abstract].
45. Prozorova L.A., Starobogatov Ya. I. 1999. On taxonomy and anatomy of the genus *Choanomphalus* (Gastropoda, Planorbidae) // *Zoologicheskiy Zhurnal*, 78(8): 1011-1013. [In Russian with English abstract].
46. Prozorova L.A., Starobogatov Ya.I. 1999. On *Cincinna japonica* (Martens, 1877) (Pectinibranchia, Valvatidae), with a description of a new species of the genus from the Southern Kuril Islands // *Ruthenica*, 9(1): 51-55. [In Russian, with English abstract].
47. Rasschepkina A.V., Prozorova L.A. 1999. First data on the anatomy of Pleuroceridae (Gastropoda: Cerithioidea) from the Northern America and Korea // *Proceedings of Regional Conference on actual problems of the marine biology, ecology and biotechnology*. Vladivostok: DVGU. P. 116-118. [In Russian].
48. Sayenko E.M., Prozorova L.A. 1999. Significance of marine coastal line in isolation and distribution of the freshwater mollusks // *Proceedings of II Regional Conference on actual problems of the marine biology, ecology and biotechnology*. Vladivostok: DVGU. P. 120-122. [In Russian].
49. Prozorova L.A. 2000. Annotated list of water molluscs of the Khanka Lake drainage // *The Bulletin of the Russian Far East Malacological Society*, 4: 10-29. [In Russian, with English abstract].
50. Prozorova L.A. 2000. To the biogeography of the freshwater mollusc fauna of the Northern and Middle Kuril Islands // *The Bulletin of the Russian Far East Malacological Society*, 4: 96-97. [In Russian, with English abstract].
51. Prozorova L.A. 2000. Unique association of land snails on Klykova Island (Peter the Great Bay) // *Vestnik DVO (Bulletin of the Russian Academy of Sciences, Far East Branch)*, 3: 33-35. [In Russian, with English abstract].
52. Prozorova L.A. 2000. On the land snails of the Kuril Islands, their ecological peculiarities and ways of dispersal // *Vestnik DVO (Bulletin of the Russian Academy of Sciences, Far East Branch)*, 5: 29-35. [In Russian, with English abstract].
53. Prozorova L.A. 2000. Biogeographical characteristics of the freshwater malacofauna of the Kuril Archipelago // *Molluscs. Taxonomy, ecology and phylogeny*. Fourth Conference of the Study of Molluscs. Abstracts of Communications. St. Petersburg. P. 115-118. [In Russian].

54. Prozorova L.A., Foster N.R. 2000. On the similarity of Asian and American Beringian freshwater malacofaunas // Biodiversity and dynamics of ecosystems in North Eurasia. V. 1. Part 3. Novosibirsk. P. 89-91.
55. Prozorova L.A., Popova S.M., Shibanova I.V. 2000. On the composition, distribution, and origin of *Juga*-like molluscs (Gastropoda, Cerithioidea) // Abstracts of the First Vereshchagin Baikal Conference. Irkutsk. P.185-186.
56. Prozorova L.A., Sayenko E.M., Bogatov V.V. 2000. Freshwater bivalves from Kuril Islands // Molluscs. Taxonomy, ecology and phylogeny. Fourth Conference of the Study of Molluscs. Abstracts of Communications. St. Petersburg. P. 118-120. [In Russian].
57. Prozorova L.A., Rasshepkina A.V. 2001. Comparative anatomy of reproductive system of the *Juga*-like gastropods (Gastropoda, Cerithioidea) from South Korea and Primorye Territory // The Bulletin of the Russian Far East Malacological Society. V. 5. P. 62-70. [In Russian, with English abstract].
58. Prozorova L.A. 2001. Species composition and distribution of freshwater malacofauna in the basin of lower reaches of the Tumen River. // The state of environment and biota of the southwestern part of Peter the Great Bay and the Tumen River mouth. V. 2. Vladivostok: Dalnauka. P. 52-68.
59. Prozorova L.A. 2001. Freshwater malacofauna of the Kuril Archipelago: patterns of taxonomy and distribution // Abstracts of International Symposium on Kuril Island Biodiversity. Sapporo, Japan. P. 26-27.
60. Prozorova L.A. 2001. Pathways of dispersal of terrestrial and freshwater mollusks of the Kuril Archipelago // Abstracts of International Symposium on Kuril Island Biodiversity. Sapporo, Japan. P. 30.
61. Bogatov V.V., Prozorova L.A., Sayenko E.M. 2001. New mollusk species described from the Kuril Islands by Russian IKIP-ers // Abstracts of International Symposium on Kuril Island Biodiversity. Sapporo, Japan. P. 29-30.
62. UNEP/CRAES/PGI: Diagnostic Analysis of the Lake Xingkai / Khanka basin. UNEP. 2001. 136 p.
63. Prozorova L.A., Sayenko E.M. 2001. On the biology of the anodontine genus *Cristaria* (Bivalvia, Unionidae) // Ruthenica. V. 11, N 1. P. 33-36. [In Russian, with English abstract].
64. Prozorova L.A. 2001. Distributional patterns of freshwater malacofauna and biogeographical subdivision of the Russian Far East // Vladimir Ya. Levanidov's Biennial Memorial Meetings (Vladivostok, March 20-22, 2001). Vladivostok "Dalnauka". V. 1. P. 112-125.
65. Prozorova L.A. 2001. Problems of Natural Park "Khasanskij" in the connection with TREDAs influence // V Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 222-224. [In Russian].
66. Prozorova L.A. 2001. Rare mollusks of "Khankajskij Reserve and their recent condition // V Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 224-226. [In Russian].
67. Prozorova L.A., Bogatov V.V. 2001. Pearl mussels Bivalvia, Margaritiferidae) of the "Ussurijskij" Reserve // V Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 226-227. [In Russian].
68. Zasybkina M.O., Prozorova L.A. 2001. To the study and conservation of biodiversity of biosphere Reserve "Ubsunur Depression" by example of mollusks // V Far Eastern Conference on the nature reserves. Abstracts of Communications. Vladivostok: Dalnauka. P. 107-108. [In Russian].
69. Prozorova L.A., Zasybkina M.O. 2001. To found of alive specimens of mollusks *Tuvapisidium* (*Odhneripisidium*) (Bivalvia, Luciniformes, Pisiidiidae) // Proceedings of IV Regional Conference on actual problems of the marine biology, ecology and biotechnology. Vladivostok: DVGU. P. 98. [In Russian].

70. Prozorova L.A., Kolpakov E.V. 2001. New data on specific content and distribution of freshwater malacofauna of Northeastern Primorye // Proceedings of IV Regional Conference on actual problems of the marine biology, ecology and biotechnology. Vladivostok: DVGU. P. 96-97. [In Russian].
71. Gulbin V.V., Prozorova L.A. 2002. Mollusks. In: List of rare plant and animal species of Primorye Territory. Vladivostok: Apostrof. P. 26-29. [In Russian].
72. Pearce T., Prozorova L., Kuwahara Ya. 2002. Terrestrial Mollusca on the Kuril Islands: previous records and problems for study // The Bulletin of the Russian Far East Malacological Society. V. 6. P. 89-101.
73. Prozorova L.A., Bogatov V.V. 2002. Large bivalve mollusks (Bivalvia, Unioniformes) of Lake Baikal // Abstracts of the Third International Symposium "Ancient Lakes: Speciation, development in time and space, natural history". Irkutsk, Russia, September 2-7, 2002. Novosibirsk: Nauka. P. 139.
74. Prozorova L.A., Rasshepkina A.V. 2002. Reproductive anatomy of the genus *Semisulcospira* and *Biwamelania* (Mollusca, Cerithioidea) from Lake Biwa // Abstracts of the Third International Symposium "Ancient Lakes: Speciation, development in time and space, natural history". Irkutsk, Russia, September 2-7, 2002. Novosibirsk: Nauka. P. 140.
75. Prozorova L.A. 2002. Terrestrial mollusks. In: Flora and fauna of Kuril Island (materials of International Kuril Island Project). Dalnauka, Vladivostok. P. 74-81. [In Russian].
76. Prozorova L.A., Bogatov V.V., Sayenko E.M. 2002. Freshwater mollusks. In: Flora and fauna of Kuril Island (Materials of International Kuril Island Project). Dalnauka, Vladivostok. P. 82-95. [In Russian].
77. Bogatov V.V., Prozorova L.A., Starobogatov Ya.I. 2003. The family Margaritiferidae (Mollusca: Bivalvia) in Russia // *Ruthenica*. V. 13, N 1. P. 41-52.
78. Pietsch T.W., Bogatov V.V., Amaoka K., Zhuravlev Yu.N., Barkalov V.Yu., Gage S., Takahashi H., Lelej A.S., Storozhenko S.Yu., Minakawa N., Bennett D.J., Anderson T.R., Masahiro O., Prozorova L., Kuwahara Ya., Kholin S.K., Yabe M., Stevenson D.E., MacDonald E.L. 2003. Biodiversity and biogeography of the islands of the Kuril Archipelago // *Journal of Biogeography*. V. 30. P. 1297-1310.
79. Prozorova L.A. 2003. Taxonomy and species composition of the genus *Anisus* Studer in the fauna of Russia // *The Bulletin of the Russian Far East Malacological Society*. V. 7. P. 99-115.
80. Prozorova L.A. 2003. Morphological features of supralittoral mollusks of the genus *Cecina* (Gastropoda: Pomatiopsidae) from Peter the Great Bay, Sea of Japan // *Russian Journal of Marine Biology*. V. 29, N 1. P. 59-62. [In English].
81. Bogatov V.V., Pietsch T.W., Zhuravlev Yu.N., Storozhenko S.Yu., Lelej A.S., Barkalov V.Yu., Kholin S.K., Prozorova L.A. 2003. Origin patterns of the terrestrial and freshwater biota of the Kuril Archipelago // *Bulletin of the Far Eastern Branch, Russian Academy of Sciences*. N 3. P. 9-18. [In Russian, with English abstract].
82. Prozorova L.A., Shed'ko M.V. 2003. Mollusca of the lake Azabachje (Kamchatka) and their biocenotic significance // *Proceedings of Kamchatka Branch of Pacific Institute of Geography, Far eastern Division, Russian Academy of Sciences. Petropavlovsk-Kamchatskii: Kamchatskii Pechatnyi Dvor Publishing House. 2003. V. 4. P. 120-151. [In Russian, with English abstract].*
83. Prozorova L.A., Rasshepkina A.V. 2003. Specific content and biological patterns of mollusks in superfamily Cerithioidea (Gastropoda, Cerithiiformes) from Tugur River (southern coast of the Okhotsks Sea). Vladimir Ya. Levanidov's Bienial Memorial Meetings (Vladivostok, March 19-21, 2003). Vladivostok "Dalnauka". V. 2: 135-138. [In Russian].
84. Prozorova L.A., Rasshepkina A.V. 2004. Reproductive anatomy of some genera of North American Pleuroceridae (Gastropoda: Cerithioiiformes: Cerithioidea) // *The Bulletin of the*

- Russian Far East Malacological Society. V. 8. P. 87-94. [In Russian, with English abstract].
85. Starobogatov Ya. I., Prozorova L.A., Bogatov V.V., Sayenko E.M. 2004. Molluscs. In: Key to Freshwater Invertebrates of Russia and adjacent lands. V. 6. Molluscs, Polychaetes, Nemertean.- SPb.: Nauka. P. 10-491. [In Russian].
  86. Prozorova L.A. 2004. Land snails of the Kedrovaya Valley Reserve (Primorye Territory, Russian Far East) // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 113-115.
  87. Prozorova L. A., Berezhok V. V. 2004. Land snails of Sakhalin island // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 115-118.
  88. Prozorova L.A. 2004. Pearl mussels of the genus *Margaritifera* (Mollusca, Bivalvia, Margaritiferidae): specific content, distribution and shell morphology // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 110-112.
  89. Prozorova L.A., Bogatov V.V. 2004. On the study of taxonomy and fauna of large bivalves (Mollusca, Bivalvia, Unioniformes) in Lake Baikal // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 118-120.
  90. Prozorova L.A., Kolpakov E.V. 2004. Distributional patterns of the freshwater mollusks in the North East Primorye (Southern Russian Far East, Primorye Territory) // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 121-123.
  91. Prozorova L.A., Min Wu. 2004. Preliminary data on the Yangtze drainage freshwater malacofauna // Abstracts of the Conference Mollusks of the Northern Asia and northern Pacific: Biodiversity, Ecology, Biogeography and Faunal History. October 4-6, 2004, Vladivostok, Russia. Vladivostok: Dalnauka. P. 124.
  92. Prozorova L.A. 2004. Land snails / Fauna of the Ussuriyskaya taiga. Vladivostok: Dalpress. P.10-19.
  93. Bogatov V.V., Pietsch T.W., Barkalov V.Yu., Storozhenko S.Yu., Lelej A.S., Kholin S.K., Prozorova L.A. 2004. Formation of the terrestrial and freshwater biota of the Kuril Archipelago // Abstracts of the Siberian Zoological Conference. September 15-22, 2004, Novosibirsk, Russia. Novosibirsk: Nauka. P. 20.
  94. Prozorova L.A., Bogatov V.V., Sayenko E.M. 2004. Freshwater mollusks // Flora and fauna of Sakhalin Island (Materials of International Sakhalin Island Project). Part 1. Dalnauka, Vladivostok. P. 138-144. [In Russian, with English abstract].
  95. Pietsch T.W., Zhuravlev Yu.N., Bogatov V.V., Barkalov V.Yu., Storozhenko S.Yu., Lelej A.S., Kholin S.K., Prozorova L.A. 2004. Materials of international Kuril island Project: origin patterns of Kuril Archipelago biota // Proceedings of an International Conference on the Arctic and North Pacific "Bridges of Science between North America and the Russian Far East: Past, Present and Future, Vladivostok: Dalnauka. P. 99.
  96. Prozorova L.A. 2004. Mollusca // The Far Eastern Maritime Preserve. Biota. V. 2. Chapter III. Annotated list of species. Vladivostok: Dalnauka. P. 452-456. [In Russian].
  97. Prozorova L.A. 2004. Mollusca. Gastropoda. Land snails // The Far Eastern Maritime Preserve. Biota. V. 2. Chapter VI. Red Data Book Reserve. Vladivostok: Dalnauka. P. 782. [In Russian].

98. Prozorova L.A. 2005. Molluscs. Gastropods (freshwater) // Red Data Book Primorsky Krai: Animals. Rare and endangered species of animals. Official edition. Vladivostok: Apelsin. P. 40-42. [In Russian].
99. Prozorova L.A. 2005. Molluscs. Bivalves // Red Data Book Primorsky Krai: Animals. Rare and endangered species of animals. Official edition. Vladivostok: Apelsin. P. 50-66. [In Russian].
100. Prozorova L.A. 2005. Molluscs. Gastropods (terrestrial) // Red Data Book Primorsky Krai: Animals. Rare and endangered species of animals. Official edition. Vladivostok: Apelsin. P. 42-50. [In Russian].
101. Prozorova L.A., Zasyapkina M.O. 2005. The new data on morphology and distribution of mollusks of the genus *Armiger* Hartmann, 1840 (Gastropoda, Planorbidae) // Vladimir Ya. Levanidov's Bienial Memorial Meetings (Vladivostok, March 21-23, 2005). Vladivostok: Dalnauka. V. 3. P. 289-294. [In Russian with English abstract].
102. Prozorova L.A., Bogatov V.V., Kavun K.V. 2005. New data on the terrestrial mollusk fauna of Sakhalin Island. In: Flora and fauna of Sakhalin Island (Materials of International Sakhalin Island Project). Part 2. Vladivostok: Dalnauka. P. 44-51. [In Russian, with English abstract].
103. Prozorova L.A., Zasyapkina M.O. 2005. Freshwater mollusks of the Khilok River (Selenga River drainage) // Vladimir Ya. Levanidov's Bienial Memorial Meetings (Vladivostok, March 2005). Vladivostok "Dalnauka". V. 3. P. 295-301. [In Russian].
104. Prozorova L.A., Rasshepkina A.V. 2005. To the reproductive anatomy of the genus *Semisulcospira* (Cerithioidea: Pleuroceridae: Semisulcospirinae) // The Bulletin of the Russian Far East Malacological Society. V. 9. P. 123-126.
